The Exchange

A fresh approach to the 1727 concept creating a totally new name which is reflective of its actual usage.

The wordmarque contains a simple device. The X has been turned 90 degrees to allow for a twist. Two arrows appear in the x to signify the exchange of ideas, information, and our joint passion for the ultimate dining experience.

NEED CORRECT APPROVED NAMES

The brand architecture includes the actual naming of the outlets.

Header

ITC Lubalin Graph LT

Sub Header

ITC Lubalin Graph LT Demi, Geometric Serif typeface created in 1974.

Body Copy

ITC Lubalin Graph LT will be used as a body copy face. This will ensure a consistent approach all applications. It is a versatile face and looks great at various sizes.

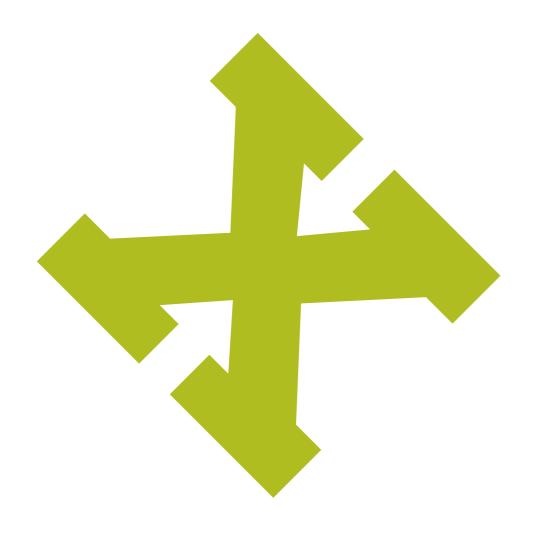

Small Usage

ITC Lubalin Graph LT is also a very effective typeface in small usage applications. You can see that it works as this is legible and easy to read with no problems at all.

Digital

Veranda for body copy. It is a clear and uncluttered typeface which is perfect for digital applications. A typeface which is on every computer on the planet.

The Exchange Imagery
Strong clear messaging through colour and typography with technology.

MACRO

Large format graphic walls.

MICRO

Solid colours, lighting and digital messaging.

The Exchange Colours

An organic, healthy and mature with an injection of fun through the use of the greens, oranges and earthy tones.

ENERGY

The Exchange Voice

Emotive and welcoming, inquisitive and intelligent but as an equal.

Themed sandwiches and meals instead of just a "Ham and Cheese".

A simple but effective way to elevate the offering which is reflective of the important places and times in the RBS Historical timeline. The Exchange, Your place is share.

No matter what, it is the people that makes RBS what it is and ultimately The Exchange.

The Exchange Interior

Natural surroundings for the higher end offerings with an abstract quirk through usage of furniture.

A fresh and modern outlook throughout.

ORGANIC

Touch screen POS system.

Orange Frosted Glass.

When it is inactive, it will revert to a screen saver using the same screens as per the Feature Wall using horizontal plasmas.
