“Office, apartment, shops, cafes – you'll be able to walk everywhere.”

# West Quarter

As its name suggests, the West Quarter is the most westerly of the quarters, and also the largest, with an area of 24m ft<sup>2</sup> and a population of 58,000.

West Quarter has a similar arrangement of districts to the other quarters, with a Metro station and Urban Centre once more forming the centrepiece of the quarter.

However, while the Urban Centre gives way in the usual fashion to Trellis and Medina Districts to the east, the western end of the quarter turns back on itself towards the south, forming a distinctive 'elbow' in the overall shape of Downtown Jebel Ali.
